Hi,

I am emailing you on behalf of the Parents Council of Danescastle National School, Carrig on Bannow. We are organising a National Parents Council talk for parents regarding Internet Safety which will be held on Tuesday 14th March at 19:30 in Danescastle National School. We would like to invite the parents of your schools to attend.

I have attached a flyer for circulation to parents. We request that any parents interested would email [bannowparentscouncil@gmail.com](mailto:bannowparentscouncil@gmail.com) by 10th March so we can confirm numbers with the speaker.

If you have any questions please do not hesitate to contact me on 0876820811.

Kind regards,  
Deirdre French
